

RMS Board Highlights

October 2024

#spreadingkindness

Students from Ripon College spent a few mornings with our Middle School Students to do activities to spread kindness and deter bullying.

8th Grade Social Studies

Eighth graders have been researching information regarding one of the twelve Native American tribes of Wisconsin. They then were given several choices on how to share traditions with their classmates. Some groups chose to create posters, infographics, timelines, or recipes! It was an incredible learning experience, not to mention quite yummy!

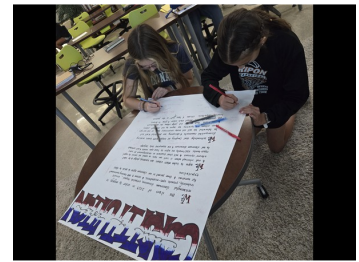

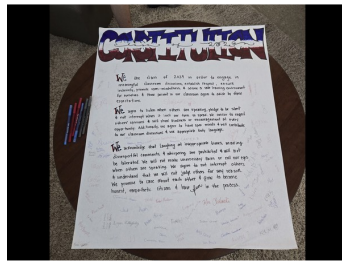

Homecoming

Ripon Middle School students participated in the homecoming parade for Volleyball, German Club, Cross Country, and Cheerleading.

8th Grade Class Agreements

Students in 8th grade made class agreements and signed them. This aligned with the Developmental Design training over the summer.

Staff Development

9/25- Robin Vaughan- CESA EL Network Meeting

9/26- Ashley O'Kon- Special Education Literacy Academy, CESA 6

9/26- Laura Heatley- Special Education Literacy Academy, CESA 6
