

# Barlow Park Board Highlights

November 2024

## *Barlow Park Elementary*

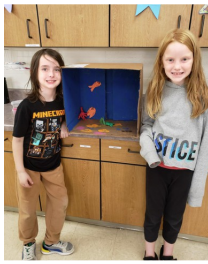

**Ms. Mendlesky's class made some creepy crayon's to watch over their learning in the classroom**

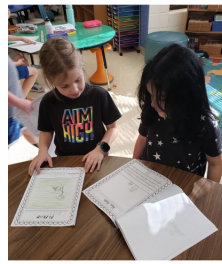

**Ms. Mendlesky's class made some creepy crayon's to watch over their learning in the classroom**

**Mrs. Gatzke's class had a special guest come to teach them about how to calm our bodies. Together they made a special tool called a calming jar! Students can shake their jar when they feel upset and take deep breaths as they watch the glitter fall to the bottom**

**Mrs. Adams' class is working on creating their habitat units in class**

**Mrs. Adams' class is working on creating their habitat units in class**

**Mrs. Minch's class has been practicing creativity, teamwork, and ingenuity**

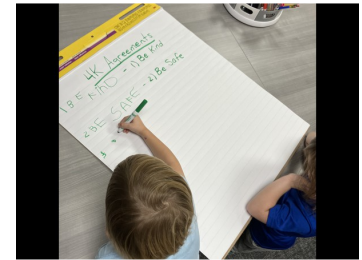

## **Barlow Park 4K**

**Mrs. Redington's class enjoying their fall celebration!**

**Mrs. Giese's class has been working hard on their fine motor and coordination skills so that they can become even better authors and illustrators!**

**4K students working on creating grade level rules that will eventually become school rules**
