The table above presents the preliminary student enrollment figures for the 2024-2025 school year as of September 13, in comparison to the September counts from 2021, 2022, and 2023. It includes all students enrolled in the Ripon Area School District (RASD), excluding resident students enrolled in other districts, but including non-resident students enrolled in RASD. Enrollment data will be updated, and the official count will be taken later in September, as required by the Department of Public Instruction.

Grade Level Change: This represents the difference in the number of students enrolled at each grade level this year compared to last year. For example, the Kindergarten grade level saw an increase of 9 students, while Grade 10 experienced a decrease of 16 students. Overall, the total grade level enrollment increased by 32 students compared to the previous year.

Cohort Change: This reflects the change in enrollment for a specific group of students as they move from one grade level to the next. For instance, the group of students who were in Grade 1 last year are now in Grade 2 this year. Across the entire district, the cohorts have grown by a total of 40 students as they progressed to the next grade level.
