To: Board of Education

From: Dr. Mary Whitrock, Superintendent; Business Manager Jonah Adams

Date: July 26, 2024

Subject: Easements for Sidewalk Installation on St. Wenceslaus Street

Background

The City of Ripon has initiated renovations on St. Wenceslaus Street adjacent to Ingalls Field. As part of this project, the City plans to install a new sidewalk along three sections of property owned by the District. This sidewalk would provide a safe pathway for students and community members outside the stadium.

To proceed with the installation, the City has requested that the School Board approve three easements. These easements will grant the City the necessary rights to access, construct, repair, maintain, and replace the sidewalk on Ripon Area School District land.

Recommendation

We recommend that the Board approve the easements requested by the City of Ripon. This approval will ensure the timely completion of the sidewalk, benefiting both students and the community. We look forward to discussing this issue with you further at your convenience.
