The table above compares the Ripon Area School District (RASD) student enrollments as of September 26, 2024, with the 3rd Friday in September enrollment counts from the years 2018, 2019, 2020, 2021, 2022, and 2023. These figures represent all students currently enrolled in RASD, including non-resident students attending RASD through open enrollment. However, the totals exclude resident students who are enrolled in other districts through open enrollment.

The "Grade Level Change" reflects the difference in the number of students enrolled at each grade level this year compared to last year. In contrast, "Cohort Change" tracks the difference in enrollment as specific student groups move from one grade level to the next. For the 2024-2025 school year, our existing grade-level cohorts increased by 39 students. Additionally, total district enrollment saw an overall rise of 44 students, with strong growth driven by enrollment in 4-year-old kindergarten and Odyssey Academy.
