

Ripon High School Board Highlights

SEPTEMBER 16TH, 2024

Welcome Back!

🌟 A SPECIAL SHOUT OUT! 🌟

Ripon staff members Tyfani Mathewson, Todd Machmueller, Jes Radant and Patrick Krause **WON** the Safety Room Team Challenge at the Custodial & Maintenance Conference. They were challenged to identify and explain how to resolve hazards the hosting school staged. The safety concerns ranged from open paper cutters to spilled chemicals, and this group identified and resolved all the hazards in the fastest time. The annual conference with the Wisconsin Associate of School Business Officials (WASBO) features practical, hands-on knowledge that school personnel can implement in their districts. Congratulations to our winning team!

FBLA Nationals

FBLA Nationals were in Orlando, Florida this summer! Mrs. Schmidt and Mrs. Esala along with 5 qualifying FBLA students enjoyed this amazing experience. When students were not competing, their daily schedule was packed with sightseeing and activities, including a trip to Disney's Animal Kingdom, where they ate at The Rainforest Cafe and their favorite, was a meal at Medieval Times.

The DaVinci Flyer visits EAA

RHS students who built the DaVinci Flyer were invited by the EAA Vintage Aircraft Association to showcase their work. They spent the day at the Association's new Youth Aviation Center presenting the flyer and answering questions to EAA Air Venture attendees.

FFA Officer Retreat

The 2024-25 FFA Officers attended a retreat in Door County, where they stayed at Rustic Timbers Campground. Officers spent a couple days learning how to work together as a team. They created the budget for the year as well. The Officer Team had several team bonding activities throughout their time there, including an Escape Room. They enjoyed a campfire at night and had a great time!

RHS Fall Sports

The fall sports at RHS are in full swing. The RHS halls are filled with members of the Cheer, Cross Country, Girls Tennis, Football, and Volleyball teams.

Girls Cross Country

Boys Cross Country

Cheer

Football
